Sub:- Appointment of Registered Stockist of Iron and Steel at Sadashivgad, North Kanara District.

Ref:- Government letter No. CIS 1055/11082- G dated 30-5-56.

The case of the applicants M/s Narayan Gopal and Sons of Sadashivgad has been verified on spot by the Regional Assistant Controller, Poona. He has reported to the effect that the party receives Tata-Agrico tools from M/s Tatas but there is nothing to show they were getting any other Iron and Steel materials from the registered producers. They have enough storage facilities.

Further observation made by the Regional Assistant Controller is that, the place Sadashivgad is not connected by any railway station the only means of access being by bus-route and the population of Sadashivgad or that of any town in North Kanara District is less than 25000 souls.

From the above it may be seen that the distribution of the Non Agricultural quota through the allotment to the Registered Stockists is being done by this office, according to the existing policy, only among the places with population over 25000. Thus, it does not seem particable to appointment an individual Registered Stockist at Sadashivgad.

A

It may, further, be stated that the distribution of Iron and Steel materials for Non-Agricultural purposes in places with population less than 25000 souls is done by the Collectors and Chairmen of the District Development Boards. Such Non-Agricultural quota of North Kanara District is about 6 tons quarterly and the two distributing agencies namely. (1) Yellapur Cooperative stores limited and (2) Karwar and Ankola Taluka Co-operative purchase and Sale Union are functioning under the Collector and Chairman District Development Board North Kanara.
